FOUNDATION OF EXCELLENCE

“Commit thy works unto the LORD, and thy thoughts shall be established.”

Proverbs 16:3 (KJV)

Every design begins with a vision,

every vision requires dedication, and every completed work reflects a commitment to excellence. This collection is offered with gratitude to God, whose faithfulness continues to inspire creativity, purpose, and the joy of serving others through Carolina Couture Designs.

WELCOME

Christmas is more than a season; it is a celebration of faith, family, love, and cherished memories passed down through generations.

Design and décor have always been my passions, and Christmas holds special significance for me.

For more than twenty-five years, I have built a career in design, décor, and luxury retail, including ownership and management of a successful multi-million-dollar bridal, prom, pageant, and clothing business.

This experience has strengthened my commitment to excellence, personalized service, and the belief that every design should tell a story. During this time, I have transformed homes, churches, hotels, businesses, country clubs, executive offices, hospital foyers, and event venues into elegant Christmas experiences.

Each design in this collection is thoughtfully crafted with elegance, creativity, and meticulous attention to detail to capture the joy and beauty of the Christmas season.

At Carolina Couture Designs, I am dedicated to creating spaces that are personal and meaningful. Whether your style is traditional, contemporary, or custom, I ensure a seamless process. I offer complimentary consultations to discuss your vision, followed by personalized design concepts and professional installation to address every detail.

My goal is to create a memorable Christmas experience that you, your family, and your guests will cherish for years.

Thank you for welcoming Carolina Couture Designs into your holiday tradition and your home. I would be honored to bring your vision to life. To begin your holiday transformation, please scan the QR Code to schedule a complimentary consultation or book your design experience.

Today, that dream is a beautiful reality!

With gratitude,

Cynthia B. Stukes

FOUNDER & CREATIVE DIRECTOR

CAROLINA COUTURE DESIGNS

Christmas has always been special to me. As a child, I was captivated by glowing lights, family laughter, and the joy that filled our home. Over time, I have seen how thoughtfully designed spaces create the setting for cherished memories and meaningful connections.

Throughout my career, I have traveled extensively, explored various fields, and owned four successful bridal, prom, and pageant boutiques. My experience in the boutique industry taught me the value of creating environments that reflect each client's vision and enhance every occasion. The skills I developed in styling, attention to detail, and client service now guide my approach to decor, ensuring creativity, elegance, and a personal touch in every space I design.

I have had the privilege of helping clients celebrate life's most meaningful occasions. These experiences deepened my commitment to excellence, meticulous attention to detail, and personalized service. Wherever my journey has taken me, my passion for transforming spaces and creating meaningful beauty has remained constant.

What began as a personal passion is now a dedication to creating exceptional Christmas experiences with Carolina Couture Designs. While Christmas is our focus, we also offer creative services year-round for events, home makeovers, and seasonal updates. I'm honored to help you celebrate, refresh, or transform your spaces for any occasion.

I am honored to transform homes, churches, hotels, businesses, country clubs, executive offices, hospital foyers, and event venues into elegant and memorable holiday settings. Each design is created to inspire joy, foster connection, and create lasting memories.

Designing holiday décor for a young family's first Christmas in their new home was unforgettable. Their joy and the words, "This is the Christmas we always dreamed of," remind me why I love what I do.

This Lookbook is more than a collection of designs; it reflects my journey, passion, and the dream God placed in my heart. Each project begins with a personal consultation, where I listen carefully to your vision and needs. Together, we collaborate on concepts and select every detail, ensuring your space truly reflects your style. From the initial design to the final installation, I guide the process at every step, ensuring your experience is seamless and enjoyable.

With faith, gratitude, and a commitment to excellence, I look forward to bringing the beauty and wonder of Christmas to the spaces where life's most meaningful moments are shared. Please scan the QR Code to transform your dream into a reality!

FROM MODERN BEAUTY TO TIMELESS ELEGANCE

“Working with Cynthia and Carolina Couture Designs was an outstanding experience from our first consultation to the final reveal. Her service was truly first-class, professional, and personalized throughout the entire process.

Cynthia entered our home with an open mind and a listening ear. She took the time to ask thoughtful questions, understand how we used each space, and learn what we loved about our modern home. Most importantly, she listened carefully to the vision we had for creating a warmer, more elegant atmosphere.

Once she understood our desires, Cynthia developed a beautiful and cohesive design direction for the home. She personally handled the shopping and carefully selected the furnishings, decorative accents, textures, colors, and finishing pieces needed to complete each room. Every item was chosen with intention, and she made certain that the scale, placement, and overall design flowed beautifully from one space to another.

Throughout the project, Cynthia communicated with us, welcomed our feedback, and kept our preferences at the center of every decision. During the installation and styling process, she carefully arranged every detail until each room felt complete.

The transformation was remarkable. She preserved the clean, contemporary character of our modern home while elevating it into a warm, sophisticated, and timelessly elegant space. Our home now feels more inviting, polished, and beautifully connected.

Cynthia’s creativity, attention to detail, professionalism, and commitment to excellent service exceeded our expectations. She did not simply decorate our home—she listened to our vision and brought it to life more beautifully than we could have imagined. We are extremely pleased and would confidently recommend Carolina Couture Designs to anyone seeking exceptional service and a truly personalized home transformation.”
